

PROVIDER ALERT

RE-BUNDLING PROPOSAL

MAY 9, 2016

As many of you are aware, on 4/22/2016 the Department posted the updated re-bundling proposal to the Department's website: <http://dhmh.maryland.gov/bhd/Pages/Integration-Efforts.aspx> and requested comments from the community. The Department allotted for a 21 day comment period during this informal process.

No regulations or State Plan amendments are proposed at this time. This is an opportunity for interested parties to give feedback and suggestions on the proposal.

The informal comment period was scheduled to conclude on May 13th; however, at the request of several stakeholders, the Department has agreed to extend the deadline through 5/16/2016.

The Department invites stakeholders to submit comments to: dhmh.medic aidsud@maryland.gov

Thank you.
