

PROVIDER ALERT

PROVIDER COUNCIL MEETING - NOVEMBER 2019

OCTOBER 30, 2019

Just a friendly reminder that the next Provider Council Meeting is scheduled for Friday, November 8, 2019 at 10am. **This meeting will be held at the Optum office located at 10175 Little Patuxent Parkway, Columbia, MD 21046. The November meeting will be held in a conference room that will only allow the first twenty providers to sign up access to the onsite meeting. Once we reach the twenty provider limit all other attendees will have to participate using the webex format. Please plan to send only one representative per provider based on our space restrictions.**

There is free parking in the building and across the street at the Columbia Mall. If parking in the building, you will need to go to the "UG LEVEL" from the elevators. Also you will need to sign in at the front desk. If you park across the street at the Mall, you will enter the building on the "UG" Level and sign in from there also. The Meeting will be in conference room #275. You will need to be accompanied by staff personnel to the conference room. Please wait to be escorted.

Questions or concerns should be sent IN ADVANCE of the meeting and sent via email to: marylandproviderrelations@beaconhealthoptions.com by Monday, November 4, 2019. **Questions not sent by November 4th cannot be guaranteed an answer at Provider Council.**

We will be using the webinar format. For telephonic participation during the meeting you will need to log into a webinar link. Through the webinar link you will be in a "listen only" format; you will not be able to freely ask questions. This improved format will minimize background noise so that all participants will have an equal opportunity to hear. All questions will be typed into the question and answer pane that is part of the webinar format for review and discussion. We encourage participation through this format for questions or discussions on items that are brought up from the agenda. These meetings are an opportunity to receive Department and Beacon updates and to share in the discussion of agenda items.

Program specific issues cannot be addressed in the meeting so providers are reminded to send claims questions with examples to: marylandproviderrelations@beaconhealthoptions.com

You are invited to a Zoom meeting.

When: November 8, 2019 10:00 AM Eastern Time (US and Canada)
