## Reminder: Behavioral Health Provider Survey Due Friday

BHA created a new, brief survey for all Behavioral Health System stakeholders about the impact of the pandemic. This is a follow-up to a similar survey sent in May. BHA will use the responses to this follow-up survey to develop interventions to address the consequences of this crisis on behavioral health consumers' health care-seeking behaviors.

- [Learn about the BHA's latest survey](#) in this letter from BHA Deputy Secretary Dr. Aliya Jones
- [Take the confidential and anonymous survey now](#) (**deadline is this Friday, September 25**)

BHA will continue to update behavioral health COVID-19 related FAQs on the [BHA website](#). Please visit frequently for the latest information. Also, please submit any COVID-19 related questions [here](#) or you can email [bha.inquiries@maryland.gov](mailto:bha.inquiries@maryland.gov).
