

Incedo Release Notes

Release name: Incedo Provider Portal Update 6.5

Target release month: July 2021

Provider action required: None

Status: On Target

Provider Impacts:

While the update is in progress, **the Incedo Provider Portal is expected to be unavailable from 5:00 am to 9:00 am, EDT.**

In addition to other technical enhancements included with this update, the following item is outlined for providers:

Claim Status Export Functionality

Issue: Providers need the functionality to export Claim Status lines displayed within the Incedo Provider Portal in other formats (Excel spreadsheet, PDF, etc.)

Resolution: This update will add the functionality to allow providers to export their claim status lines from the Incedo Provider Portal in other formats. Step-by-step instructions on how to export claims will be provided closer to the release date.
