

Incedo Release Notes

Release name: Incedo Provider Portal Release 6.6.1.5

Target release month: September 25, 2021

Provider action required: None

Status: Completed

Provider Impacts:

While the update is in progress, **the Incedo Provider Portal is expected to be unavailable from 5:00 am to 9:00 am, EDT.**

In addition to other technical enhancements included with this update, the following item is outlined for providers:

Automatic End-Dating of Unfunded Span

Background: Prior to this update, a participant's unfunded span would remain open after the participant received Medicaid coverage.

Resolution: Following this update, unfunded spans will be automatically end-dated when a participant's Medicaid coverage becomes active. The end-date will be the day prior to Medicaid coverage becoming active. This functionality will be on a forward basis; at this time, unfunded spans will not be end-dated retroactively.
